

CLEARCIL™

POOL WATER CARE SYSTEM

AN INNOVATIVE AND SMARTER BIGUANIDE LINE

CLEARCIL CUSTOMER BENEFITS

Customers will enjoy a gentle and smarter swimming experience in a chlorine-FREE pool.

- ▶ No eye irritation
- ▶ No discoloration of bathing suits
- ▶ No need to worry about your hair or skin
- ▶ Does not affect pool liners and pool equipment.

Clearcil customers will benefit from an easy-to-use, 3 part program with cutting edge support pool chemical products.

CLEARCIL DEALER BENEFITS

The Clearcil line builds customer loyalty by providing a unique and innovative brand.

The Clearcil line brings new technology to the pool market to maintain high standards of water quality that lead to the most satisfied customers.

The Clearcil product line is a unique and comprehensive line that is an easy-to-use, 3 part program with 3 premium supporting products that will bring the customer coming back to your door.

CORE PRODUCTS

Part 1 Clearcil 30% Shock Oxidizer

A chlorine-free liquid oxidizer (30% hydrogen peroxide). Used to clarify pool water. Shock and swim in only 15 minutes.

Part 2 Clearcil Sanitizer Algistat

Liquid sanitizer that provides safe, persistent control of bacteria and algae. It is highly stable, not affected by UV or heat, and lasts longer without any of chlorine's unpleasant side effects.

Part 3 Clearcil P.E.T. TAB

The Clearcil Performance Enhancement Tablet is a must for easy and safe water maintenance. Loosens biofilm and calcium build-up.

SUPPORTING PRODUCTS

SUPPORT 1

Premium Algaecide: Specially designed PolyQuat algaecide that prevents algae development.

SUPPORT 2

Clearcil Filter Cleaner:

- Cleans sand, D.E., and cartridge filters
- Removes dirt, oils, and grease
- Restores filter efficiency

SUPPORT 3

Clearcil Metal Control: is a chelating agent that sequesters metals in the pool water. Highly recommended to use in the opening of pools and on an as needed basis (when topping off water levels).

Clearcil™ is a product of Clearon Corp.,
