DREADING USING YOUR SOLAR BLANKET?

The Pool Boy® Powered Solar Blanket Reel provides a fast and convenient way to uncover and cover your pool. The Pool Boy® design offers effortless operation by one person. Eliminate hand cranking and tugging on solar blankets.

LOVE YOUR POOL BOY®!

The Pool Boy® Systems are designed for rectangular pools up to 20' x 40'

Product Features

- Remote Controlled
- Easy Installation (plugs into 120 VAC GFCI outlet)
- Use Your Existing Solar Blanket
- Listed by CSA International as Certified
- Manual Override Capabilities

Shipping costs: \$75 standard UPS ground-drop ship to dealer. Systems include the reel system with stands, transformer, remote control, tube kit (fits up to 20' wide pool) and tether kit.

Pool Boy® I

Part number PBI8504 - Dealer price **\$995** MAP \$1,395

- Unique design allows this system to be adjusted to fit most pools. Hub height adjustable in 1" increments.
- Uprights are made of powder coated aluminum

Pool Boy® II

Part number PBII8562 - Dealer price **\$835** MAP \$1,195

- Comes with fixed height stands. Made of powder coated steel.

THE REMOTE CONTROL MAKES IT EASY TO OPERATE!

At the heart of the Pool Boy® design is the remote operating system. The system features a low voltage transformer that is designed to meet NEC article 680. The remote control is completely waterproof and floats.
