Equalizer Suction Grates 1, 80

The **Equalizer Suction Grates** are a direct replacement for the discontinued SP1026 deep wall suction safety grate and are VGB compliant.

Saratoga Step Granite Swimming Pool Steps 14

Imperial Pools is proud to introduce an exciting new color to the Saratoga Step line up. **Granite stairs and spas** are now available for the 2014 season. This new textured material has a very high-end Granite look and feel. It is sure to impress you and your customers. Contact your local Distribution center for pricing, literature, and material samples.

Four-foot Liner Lock 22

Now available in four-foot pieces! **Liner Lock** is easy to install and prevents your beaded liner from slipping out of the coping!

Thermo Plastic Ladders and Handrails 29

These Ladders and Handrails are "salt friendly," durable and long lasting. Available in 3 Thermo Plastic Coated (TPC) colors: white, gray and tan.

LED Bubblers 32

Custom Molded Products (CMP) **Brilliant Wonders LED Bubblers** add color and excitement to any pool or spa. LED light is installed below the water's surface from 4 to 10 inches in a custom bench or stair and shoots streams up to 30 inches high in 9 vivid colors.

MAGICSTREAM® Laminars 32

MAGICSTREAM Laminars with 100% synchronization, and intellibrte 5g LED color and white lights, create clear, uniform arcs of moving water that can be installed in pool deck or surrounding landscape. Provides 5 brilliant colors, 7 light shows and water streams can reach up to 7 feet high and project outward up to 8 feet into pool, spa, or other water feature. Deck lids available in black, gray, and tan.

Variable Speed Pump Page 33

This year we have a page dedicated to all the **Variable Speed Pumps** that are available from different manufactures. Variable Speed Pumps offer energy savings that can result in a faster return on investment.

LED Replacement Lamp for AMERLITE Light Series 59

Brand new from Pentair is a **LED Replacement Lamp** that replaces the existing light bulb and turns an Amerlite into a LED light. Lamps are available in white or color. Color lamps feature 5 fixed colors and 7 light shows.

FLOLight 62

Now a simple way to add lighting in your pool, simply unscrew your existing return jet and replace it with **FLOLight!** The impeller generates energy to power 8 LED lights through the water return.

Pentair Master Temp
125,000 BTU

Mastertemp 125.000 BTU Heater.....67
New from Pentair a heater for smaller inground pools and aboveground pools up to 15,000 gallons, this heater is compact and only weighs 80 lbs for ease of handling and shipping. Can order with or without a 120-volt electrical cord.

Platinum Vac Head

Raypak Aboveground Heaters.....68
New from Raypak **105,000 BTU Analog Heaters** and **150,000 BTU Digital Heaters** are sized to fit every aboveground pool depending on pool volume. Both heaters come factory wired with a 3-prong, 120-volt electrical cord.

Skimmer Screws Bulk Pak78
We now stock 1 inch and 1 1/4 inch **Skimmer Screws** in 100 piece bulk paks. Have on hand in your service trucks. Priced to save you money!

Platinum Maintenance Line.....90
GO GREEN with the Platinum Maintenance Line of sturdy and durable maintenance equipment! Make pool cleaning simple and "clean green" with a 14" vacuum head on wheels or a triangular vacuum head with rubber bumper and swivel adaptor. Also available is an 18" wall brush with rubber bumper S/S bristles, floating chlorine dispenser and a leaf skimmer or deep pocket skimmer with a pick-up scoop edge and Puncture Proof Net! See all items available on page 90.

Poolmaster Products

Toys and Floats.....94
New for 2014 we will be offering some of the most popular **POOLMASTER** floats, mattresses, games and swimming gear.

Waterlink Mobile Spin Lab

Waterlink - Mobile Spin Lab.....104
Designed for service professionals, is the new, simple to use "portable" **Waterlink Mobile Spin Lab** photometer with Bluetooth from LaMotte. Pool or spa water is added into a spin reagent disk, and then the disk is placed into the Mobile Waterlink Spin photometer. In just 60 seconds all the tests are completed, and the results and recommendations are sent wirelessly and communicated into the service professional's Smartphone or tablet device!

Phos-Boss

Phos-Boss Concentrated Phosphate Remover.....117
ClearView™'s new **Phos-Boss** (250084) is a concentrated phosphate removal solution that reduces phosphate levels and improves the effectiveness of your sanitizer program. It can be added to any pool with or without circulation. Plus, "treat more with less"—as you get 50% more phosphate remover with Phos-Boss!

Quantum Chemicals.....125-129
Quantum 73% Calcium Hypochlorite is a fine ground, quick dissolving, easier to dissolve in pool water. Better oxidation properties with increased active percentage. Packaged in convenient 1lb bags.

Aboveground Heating Products Pages.....182
This page is dedicated to the different products offered for heating aboveground pools, from solar products, to heaters, to heat pumps.

Ladder Pads 183

From Horizon Ventures these **Ladder Pads** protect the liner from the ladder or drop-in-step. Available in 30" x 38" and 4' x 5'.

GLGWWW12

Gladon Winter Cover Wrap™ 197

A specially formulated blue stretch film that is designed to wrap tightly around the top of an above-ground pool, **Gladon Winter Cover Wrap** (#GLGWWW12) helps to secure the winter cover and protect it from wind damage, dirt, and help keep the pool clean. Ask about a display unit (#GLGWWW) for your store.

HPI Water Tube

HPI Heavy-duty Water Tubes 198

Offering 4 new Heavy-duty Water Tubes from HPI. Time tested and proven to protect your winter cover from collapsing under the weight of ice and snow. UV treated for extended life. Freeze crack additive so tubes don't split. Large, USA made valve to accept garden hose for easy filling. 8 FT and 10 FT, double, heavy-duty water tubes, color black. See all water tube offerings on page 198!

X-Treme Protection™

X-TREME PROTECTION™, Snap-on Pool Cover Padding 198

CoverScapes™ offers **X-TREME PROTECTION™**, a revolutionary pool cover padding, which delivers targeted protection to help control pool cover chaffing. The padding easily snaps on to the perimeter webbing to create a protective barrier between the cover and the deck. The 26"W x 30"L pad snaps securely in place and may be cut to custom fit any size required. (CSCC9056)

Protecta-Spa

Protecta-Spa 198

Get year-round spa protection! Prevent damage from fading, tearing, staining & cracking. Made of GatorHyde™...a tough triple ply woven polyethylene, we are offering 3 new **Protecta-Spa** covers for 2014. Tight fitting Velcro® closure with flaps, allows the spa to breathe. Plus, fast and easy drop-ship with Flat Rate Shipping Program for \$12.50 per cover.

Camo Covers

CAMO Covers 201

The **camouflage winter cover design** blends with backyard décor with its shades of light tan, brown, and black. UV stabilizers preserve the CAMO color. The dense weave eliminates heat build up within the pool, reducing algae growth. Covers are made 4' larger than the pool size, with triple edge reinforced binding and webbing loops for a cable—no metal grommets. Coated cable and winch for tightening are included.

CoverScapes™ Safety Covers 216-228

Imperial Distribution has expanded its Winter Program and safety cover offerings. Introducing **CoverScapes™ Safety Covers**, a full line of self-draining mesh and solid vinyl cover designs, superior quality, and state-of-the-art manufacturing. Promotional materials are available with full-sized (25133CEODF) and tri-fold (25133CEODT) brochures, plus choice of samples in handled carrier sets (CS2987C) or showroom quilt displays (Q2987C). Consult page 228 & 229 for a complete list of CoverScapes™ hardware and repair products.
