WARNING: The consumer products safety commission has stated that water temperature in a spa or hot tub should not exceed 104° F. Immersion in water in excess of 104° F could be hazardous to your health. Children, aged persons, persons having medical problems, and pregnant women should consult their physicians before using a spa or hot tub. Spas or hot tubs should not be used by persons under the influence of alcohol or by persons taking medications that cause drowsiness.

All spas must be wired in compliance with owners manual.
