EXCLUSIONS

Motors, Spa Packs, Heat Exchangers, and unusually large or oversized products are excluded from FLAT RATE shipping charges. Options #1 and #2 will incur a shipping charge on excluded items. Purchases are eligible for the Free Freight Program (option #6). Freight on excluded items will not exceed a maximum of \$27.95 per package (applies to standard ground delivery only).

*Product delivery time frames will vary based on order date and scheduled Imperial delivery date. Store delivery fees apply. Exclusions apply. Please see detailed list of excluded products.

**Freight rates based on average package sizes and weights. Delivery carrier will vary by location and products ordered. Exclusions apply. Please see detailed list of excluded products.

***Free freight orders ship standard ground. Charges will apply for second day and next day shipments.

Imperial Pools reserves the right to change, modify, or cancel this program at any time. Program is intended as a guideline only and dealers are encouraged to verify product freight eligibility before placing an order. Orders may ship from one or more locations at the discretion of Imperial Pools. Only one freight charge will be assessed in most instances.
