POOL PROTECTION FOR CHILDREN, PETS & DEBRIS

You love your pool and the backyard memories it has helped create. CoverScapes helps protect your family with state-of-the-art pool covers like the 9000MX. Woven with a thicker, heavier-duty thread, the 9000MX provides a new level of durability, strength, and sun protection—not to mention it is aesthetically more pleasing than other pool cover options. Customized to fit your pool and protect what you love.

All covers proudly manufactured in North America by CoverLogix a division of Plastimayd, LLC.

THE SCIENCE OF SAFETY COVERS

Every cover is engineered with the ultimate protection of your loved ones in mind. Using advanced technology, CoverScapes has created a family of safety covers with integrity and strength you can depend on.

AUTHORIZED DEALER:

Find us online at coverscapes.com

CoverScapes pool covers are an attractive and functional addition to your outdoor environment. Our covers provide peace of mind by creating a protective barrier that keeps everything out of the pool, including Mother Nature. It's comforting to know when you open your pool that there will be inviting, clean water waiting for you with minimum maintenance at a lesser cost than if you did not have a cover.**

COVER MATERIALS

PERFORMANCE SPECIFICATIONS

		PROTECTION	SUNBLOCK	OPTIONAL PUMP ---OR--- DRAIN PANEL	UPGRADE PACKAGES	WARRANTY	SELECTION
MESH SERIES							
9000MX™ Self-draining Mesh	The 9000MX is engineered for a new level of protection. Built with reinforced mesh, box stitched thread and equipped with heavy duty double tension springs, this cover is designed to exceed expectations and is appropriate for the most demanding weather conditions.	MAXIMUM	99%	NO	HEAVY-DUTY SUSPENSION INCLUDED	20 YEARS 3 YEAR ASSURANCE	9000MX™ Select Design
	7000MS™ Self-draining Mesh	SUPERIOR	99%	NO	UPGRADES AVAILABLE	15 YEARS 3 YEAR ASSURANCE	7000MS™ Green
							7000MS™ Blue
5000M™ Self-draining Mesh	This durable micro-weave fabric has the highest abrasion resistance and tear strength in its class. It filters debris and dirt while allowing water to freely drain through the mesh. A good choice for a combination of protection and value.	GOOD	91%	NO	UPGRADES AVAILABLE	12 YEARS 2 YEAR ASSURANCE	5000M™ Green
							5000M™ Blue
SOLID VINYL OPTION							
1000V™ Solid Vinyl	Our solid polyester vinyl cover is a complete barrier to sunlight, dirt, debris and water. Heavy-duty construction provides protection from the elements and prevents algae growth — for faster spring pool openings. <small>†An optional pump or drain panel is required to meet ASTM Safety standards.</small>	GOOD	100%	YES	UPGRADES AVAILABLE	10 YEARS 2 YEAR ASSURANCE	1000V™ Blue
							1000V™ Green

* 9000MX™ & 7000MS™ Mesh U.S. Patent No. 6,886,187 – 99% Shade

** Properly winterizing your pool in conjunction with a CoverScapes safety cover will provide maximum protection against algae growth. With 91% sunblock, the 5000M™, may be less effective in minimizing algae growth in certain installations.

ASTM SAFETY STANDARDS

CoverScapes materials and hardware locking systems are rigorously tested to meet or exceed ASTM safety standards.††

To comply with ASTM safety standards:

† Solid vinyl covers must be equipped with an automatic pump or have built in mesh drainage panels to remove standing water.

†† Your particular pool design may have special features that do not meet ASTM standards. Please consult your pool professional when purchasing a cover.

ASTM standard F1346.91
