# Water Goes Through (Sunlight Doesn't)

## Introducing **Aqua-Xtreme**<sup>®</sup> Virtually Solid Mesh Safety Cover

It's here, it's from LOOP-LOC<sup>®</sup> and it's everything your customers could want in a pool cover, and more!

- Ultimate light blocking to deter algae growth
- Super-strong, quick-draining mesh, up to 80 gallons per minute
- 50% lighter than solid covers for easy handling
- Available in green, sapphire, navy and **new** mojave brown

**For more information, visit [looploc.com](http://looploc.com) or call 1-800-LOC-LOOP.**

**LOOP-LOC**<sup>®</sup>  
THE ONE. THE ONLY.

Manual Safety Cover  
In Accordance with  
ASTM Standard F 1346-91

© LOOP-LOC 2019. Made in the USA.

# TERMS AND CONDITIONS OF SALE

## Please read our Terms and Conditions.

### TERMS:

All sales will be business check/cash with order or C.O.D. unless credit has been established.

Open account terms are Prox 15 to established and approved accounts, unless otherwise specified. Prox 15 is defined as any purchase made during the course of one month is due the 15th of the following month. Any account that is 10 days past due or over their credit line will be placed on hold until the account is current and/or below their credit line. A service charge of 1.5% per month (18% per annum) will be charged against all past due balances. The extension of credit is at our option and may be withdrawn at any time.

### RETURNED CHECKS:

Any check that is returned will carry a \$25.00 charge. Cash or Certified Check must replace all bad checks. Thereafter the account will be open to purchase on a cash or certified check basis only.

### SALES TAX:

Applicable sales and/or use tax will be charged on all accounts unless they have on file at our office of an up-to-date properly completed sales tax exempt certificate with a valid resale number.

### PRICES:

All prices, discounts, and quotations are subject to change without notice and will be those in effect at time of shipment. Due to the ever-increasing cost of billing, there is a minimum order policy of \$25.00.

### SPECIAL ORDERS:

All special orders require a 50% deposit at time of placement unless you have an account with us in good standing. Special order items may not be returned.

### BACK ORDERS:

Any back orders will automatically be reordered for you unless you contact us and instruct us otherwise. When back orders come into stock, if time provides, we will contact you to see if you still need the products and to get any shipping instructions.

### FREIGHT:

All shipments are F.O.B. our warehouse. All merchandise shall be deemed delivered when picked up by the common carrier. If any shipment is received in a damaged condition, your claim must be filed with the delivering carrier and noted on the freight bill before you accept the merchandise. Claims cannot be deducted by you from the account. Product shortage claims must be made within 10 days after receipt of merchandise. If there are any questions when receiving a shipment, please feel free to call the Customer Service Department for the correct freight claim procedures. Locations serviced by our delivery service will follow Imperial Distribution freight policies and charges.

### LIMITED WARRANTY:

Items manufactured by Imperial will be subject to the warranty accompanying each specific product. The terms of such warranty will be provided with delivery of the product. With respect to such products manufactured by Imperial, except where prohibited by law, Imperial disclaims the implied warranties of fitness for a particular purpose and merchantability. Imperial will not be liable for any loss or damage (including indirect, special, incidental or consequential damages) caused directly or indirectly by the defective products.

Many of the products sold by Imperial are manufactured by others and come with a manufacturer's warranty. Imperial makes no additional warranties of any kind, express or implied, for any product manufactured by a party other than Imperial that comes with a warranty from the manufacturer. The manufacturer's warranty may be limited. If you want information on the scope of a particular manufacturer's warranty, please check the manufacturer's website, speak with an employee at Imperial's distribution center, or call 800-444-9977.

For items manufactured by others with no warranty from the manufacturer, Imperial provides a limited 90 day warranty for product defects. Under this limited 90 day warranty, Imperial will repair or replace (at Imperial's option) any such defective product. Items which have been subject to improper handling, neglect or accident, or which have been modified, are excluded from this warranty. All warranty claims must be made within 60 days of the discovery of the defect. Except where prohibited by law, Imperial disclaims the implied warranties of fitness for a particular purpose and merchantability. Imperial will not be liable for any loss or damage (including indirect, special, incidental or consequential damages) caused directly or indirectly by the defective products. You may have rights which vary from state to state, as some states do not allow warranty limitations or exclusions.

### RETURNS:

We will accept returned merchandise only if we have been previously notified and a Return Merchandise Control Number has been issued. All returns must be made on a prepaid basis. If merchandise returned is shipped collect, it will be refused and freight costs will be your responsibility. All returns must be clearly marked with the RMA number that was issued for that return, use a shipping label for a new product.

### AUTHORIZED RETURN OF NEW MERCHANDISE:

Items not desired by you may be returned within 30 days following receipt of goods. Authorized returns will carry a 15% handling and restocking charge. All items must have a new appearance and be in operational condition or they will be returned freight collect to you. Special orders or merchandise not of current design are NOT subject to return.

### RETURN OF DEFECTIVE MERCHANDISE:

For products manufactured by Imperial: Products that are manufactured by us that are determined defective will be repaired or replaced under terms stated in the warranties. Return only the defective part of an assembly, not the entire assembly. Only the defective part will be replaced or repaired. Upon inspection and determination by us, notification will be mailed to you with an explanation approving or denying credit. If an item is returned for credit and credit is denied, you must notify us, in writing, as to your desired disposition of the merchandise. Such information must be received by us within 30 days of your receipt of credit determination or Imperial will dispose of the item at its sole discretion. **For items manufactured by others:** In all cases of defective merchandise not manufactured by us, the repair or replacement of these items will be handled in accordance with the warranty policy.

### REPLACEMENT OF MERCHANDISE PRIOR TO RETURN AND VERIFICATION FOR DEFECT:

Replacement merchandise will be charged under the normal credit terms to Dealers with approved accounts. Upon our receipt of the merchandise (within 30 days) and verification of claimed defect and eligibility for credit, credit will be issued against the invoice for the replacement order. Cash customers may purchase replacements for merchandise claimed to be defective. Upon our receipt, verification of the defect and determination of eligibility for credit, a refund check will be issued.

## **Trademark, Trade Names and Logo Usage Policy**

At Imperial Pools, Inc., Saratoga Spa and Bath Co., Inc., and The Vinyl Works, Inc., we are committed to maintain the integrity of our trademarks, trade names or logos. By doing so, we are making a commitment to our customers, that the company and brands they trust will not be compromised. It is to that end the following trademark, trade name and logo usage policy has been put in place, and will be enforced.

Any use of Imperial Pools, Inc., Saratoga Spa and Bath Co., Inc., or The Vinyl Works, Inc., trademarks, trade names or logo usage is strictly prohibited without the written consent of Imperial Pools, Inc. Imperial Pools, Inc. reserves the right to review, approve or deny all usage.

Upon written consent of usage, under no circumstance can any Imperial Pools, Inc., Saratoga Spa and Bath Co., Inc., or The Vinyl Works, Inc., trademarks, trade names or logos be promoted with an advertised price. This includes but is not limited to print media, outdoor media, broadcast media or the internet.

Imperial will not support any dealer attempting to offer Imperial Pools, Inc., Saratoga Spa and Bath Co., Inc., or The Vinyl Works, Inc., trademarks, trade names or logo usage with the intent to sell a price, and will be asked to immediately cease usage of such trademarks, trade names or logos. If our request is not acted upon immediately, we will take alternative action to resolve the issue.

Thank you in advance for your cooperation. We value your business and thank you for your continued support.

Sincerely,

Anthony Brennan

CEO, Imperial Pools, Inc.

# Cover The Doctor is in

## CHECK UP TIME IS NOW!

Let the repair and replacement SPECIALISTS at GLI Pool Products diagnose ANY BRAND\* Safety Cover today! Our "painless" Cover Doctors program will provide diagnostic services in 3 easy steps:

1. GLI will provide a box to return your cover for repair or template replacement at NO CHARGE!
2. GLI will provide all necessary shipping labels to return your cover FREIGHT PREPAID!
3. Back at GLI, all covers will go through a 20 point inspection process to ASTM Standards by a qualified specialist to diagnose your cover for repair or replacement.

\*Does not include "Bungee" type covers.

As Always, GLI offers the fastest turnaround times on new covers, repairs and templates in the industry - with no inconvenient deadlines!

# GATORHYDE 2020 PROGRAMS

GATORHYDE™ is proud to work with Imperial Pools and you to grow our safety cover business together. For 2020 we are offering these programs:

MADE  
in the  
U.S.A.

## Gift Card Program

Receive a **\$150 Gift Card** for every 5 GATORHYDE covers purchased from Imperial Distribution in 2020.

- Minimum purchase of five (5) GATORHYDE covers in 2017 to participate.
- Applicable on all GATORHYDE covers purchased January 1 - November 15, 2020.
- Cannot be combined with any other offer.
- We will track your purchases for gift cards to be issued before December 25, 2020.

“There is no limit on the rewards you can earn!”

BASED ON 5 COVERS  
**\$274.75**  
YOUR SAVINGS!

## FREE Cover Guard Program

Receive **\$24.95 (dealer price) Cover Guard** for FREE on all GATORHYDE covers!

- We hope it never happens to you, but mistakes happen. With this coverage, turn them to your advantage...YOU GET PAID FOR YOUR TIME! When you order your safety cover, Imperial Distribution's **COVER GUARD PROGRAM** will cover unexpected costs for you. *Item #WECCG*

# GATORHYDE Stock Safety Swimming Pool Covers

## STANDARD GREEN MESH

### WARRANTY INFORMATION

12 Year Warranty - 2 yr full/10yr prorated on 5 x 5 Mesh Covers  
 15 Year Warranty - 2 yr full/13yr prorated on 3 x 3 Mesh Covers  
 10 Year Warranty - 2 yr full/8 yr prorated on all Solid Covers

Green Blue Black Tan Grey

## BLOCMESH 99 GREEN

A revolutionary new pool cover material, specially designed to block up to 99% of sunlight penetration. Its super tight weave prevents debris from entering pool, combining the benefits of a water draining mesh cover with the cleanliness of a solid cover. BloclMesh 99 is a proven performer.

Green Blue Tan Grey

## SOLID GREEN VINYL

The GatorHyde Solid Cover System is the latest in pool cover technology and offers increased protection due to its solid top design. This Solid Cover comes in reinforced vinyl and reinforced webbing both top and bottom on every seam protected by rub strips. If you want the best for your pool, GATORHYDE is it.

Green Blue

## AQUAMASTER SOLID GREEN

The AquaMaster series of lightweight solid safety covers are 50% lighter than conventional vinyl solid covers, and up to 70% stronger. This tough, non-porous material blocks sunlight and helps prohibit algae growth with a durable coating that will not fade or stain. Featuring a mesh drain panel or optional Rhule pump, the AquaMaster is a solid pool cover choice.

Green Blue Tan Grey

# SAFETY COVERS

## GATORHYDE

Note : Solid and AquaMaster Solid covers are available without drain panels and include an automatic cover pump (1700 GPH) - \$254.40 up charge on dealer price.

Note : All Winter Elements safety covers will incur a \$50 freight charge.

Double D-Ring Upgrade		5.29

BlockMesh 99 is available in green, blue, gray, or tan.

Solid Vinyl is available in green or blue.

AquaMaster Solid is available in green, blue, gray or tan.

1. Solid cover sq. ft. pricing includes drain panel.  
For covers without drain panel with automatic cover pump, Add \$ 254.40
2. Covers under 1,000 sq. ft. overlap is 11" - 14"
3. Covers over 1,000 sq. ft. overlap is 14" - 18"
4. 5x5 grid spacing is approximate - could vary 4' - 6' for best fit.
5. 3x3 grid spacing is approximate - could vary 2'6" - 3'4" for best fit.
6. Solid covers are not available over 1,200 sq. ft.

Standard Mesh is available in green, blue, black, gray or tan.

# ALL LOOP-LOC® SAFETY SWIMMING POOL COVERS:

- Are manufactured using an exclusive computer-aided design to ensure a perfect, custom fit for any shape or size pool
- Stay tight and beautiful year after year, in any weather
- Are backed by a 15-year prorated warranty

## LOOP-LOC® SUPER DENSE MESH

- Built super-strong using the highest quality materials and workmanship
- Blocks virtually all sunlight
- Lets rain and melting snow easily drain through
- Available in green mesh or your choice of designer black, gray, tan or blue

## ULTRA LOC® III

### The strong, solid safety cover from LOOP-LOC

- Premium coated vinyl material with enhanced 100% polyester rip-stop scrim
- Faster draining - Its unique material "bounces back," so water quickly finds mesh drainage panels
- 33% lighter than typical solid vinyl cover material
- Available with or without mesh drainage panels - cover without drainage panels blocks 100% of sunlight and is sold with an automatic pump, which must be used at all times to meet ASTM safety cover standards
- Available in green or designer blue, tan or **new** gray

## AQUA-XTREME

### Virtually solid mesh from LOOP-LOC

- Ultimate light-blocking to deter algae growth
- Unique, new weave mesh is super-strong and quick-draining
- 50% lighter than solid covers for easy handling
- Available in popular green and **new** sapphire navy

# SAFETY COVERS

## LOOP LOC

Available for shipment from manufacturer within 24-48 hours.  
 Note : All Loop-Loc custom safety covers will incur a \$50 freight charge.

# GLI Safety Swimming Pool Covers

## HyPerLite™ Solid Safety Cover System

The solid safety cover that is 30% lighter than standard solid covers. All HyPerLite™ Safety Covers come standard with Commercial Grade Springs on Custom Covers!

### Key Features:

- Improved strength and puncture resistance - the ultimate in strength able to withstand puncturing from falling tree branches, deer hooves & stray animals.
- 100% Sunlight Blockage - NO spring time algae growth.
- PVC coated polyester fabric is 30% lighter than standard solid covers.
- Comes with the patented "Kleen-Screen" drain that drains the water from the surface while filtering out dirt, leaves and debris.
- Our New and Improved Sure-flo full length drain. This better than ever drainage option allows for better water flow through the drain while still providing the ultimate sun blockage. Pump also available.
- Comes standard with Commercial Grade Springs on Custom Covers - A \$125 value!
- 15 Year Limited Warranty.

## ProMesh™ Safety Cover System

This mesh safety cover material gives you solid coverage benefits without the added weight. Promesh covers come standard with stronger commercial grade springs on custom covers that give you a tighter, stronger cover for your pool. Meets or exceeds safety cover performance standards as set forth in ASTM F 1346-91.

### Key Features:

- Made from a unique weave of polypropylene mesh that blocks out algae producing UV rays, making spring time opening a snap!
- Tight mesh construction allows water to drain from the surface - filtering out dirt, leaves and debris!
- Nearly 50% lighter than solid covers for easier installation, removal and storage.
- Super strong for greater tear resistance and winter wearability. Excellent for commercial or residential use.
- Comes standard with commercial grade springs on Custom Covers.
- Excellent for commercial or residential use.
- 15-year limited warranty.
- U.S. Patent No. 6,886,187 - 98% Shade

## Secur-A-Pool® Mesh Safety Cover System

Our Secur-A-Pool® Safety Cover is renowned for its strength, durability and ease of installation. It's the easy-to-install, no maintenance cover that gives the pool owner total peace of mind during the off-season. Secur-A-Pool® Safety Covers meet or exceed safety cover performance standards as set forth in ASTM F 1346-91.

### Key Features

- New and improved - durable, long lasting, and increased weave count polypropylene mesh fabric for added strength and shading.
- Mesh material eliminates standing water hazard by allowing water and melting snow to drain through.
- Screens out dirt and debris for easy spring time opening.
- Strong safety-minded construction.
- Secures pool from children, pets and stray animals.
- Tamper-proof design prevents entry without installation rod - installs and removes in minutes.
- Improves the look of your pool in the off season.
- 12 Year Limited Warranty.

## GLI Custom Safety Swimming Pool Covers

All custom safety covers will incur a \$50 freight charge.

Is there a diving board?  Y  N

Distance from pool: \_\_\_\_\_

Cutouts required?  Y  N

if non-removable object(s) are within 12"-18" of pool (Indicate above)

**Please submit labelled photos for pools with complex features. Cutouts may be required if objects are within 18" of pool. Please provide A-G dimensions to locate object.**

1. Are there any non-removable handrails, grabrails, or ladders?  Y  N
2. Grabrails:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
Distance rails are set back from pool \_\_\_\_\_
3. Handrails:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
Distance rails extend into pool \_\_\_\_\_
4. Ladders:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
Ladder Cups (if cutout needed) Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
How far does ladder extend into pool? \_\_\_\_\_
5. Fillspout:  Y  N Pt# \_\_\_\_\_  
Dimensions & distance from pool: \_\_\_\_\_  
How high if raised? \_\_\_\_\_
6. Dive Stand:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
7. Slide Legs:  Y  N (within 2 ft.) Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
8. Dive Rocks:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
Distance back from pool \_\_\_\_\_
9. Grab Rocks:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
Distance back from pool \_\_\_\_\_

10. Type and width of coping: \_\_\_\_\_ and \_\_\_\_\_
11. Planter or grass area  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
12. Spa:  Y  N Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
Separate cover required?  Y  N  
How high is the spa? \_\_\_\_\_  
Is spa wall flush with top of coping?  Y  N  
Open spillway:  Y  N  
If yes, to locate spillway Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
13. Raised Wall or Raised Bond Beam:  Y  N  
Height: \_\_\_\_\_ Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
14. Waterfall or Rock Formation:  Y  N  
Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
15. Varying Deck Levels:  Y  N  
step 1: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
A-B dimensions require indicating angle of the deck from pool wall, out onto deck. Height? \_\_\_\_\_  
step 2: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_  
step 3: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_
16. Wood Deck: Are wood deck anchor flanges required?  
Indicated partial wood deck areas: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_

**Note: For Dive Rocks, Spas, Raised Wall/Bond Beam and Waterfall/Rock Formations, give A-B dimension at beginning, end, and a minimum of 1 ft. intervals in between.**

Length: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_ = \_\_\_\_\_ (longest point.)

Width: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_ = \_\_\_\_\_ (widest point.)

Additional cross dimensions: Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_ = \_\_\_\_\_; Pt# \_\_\_\_\_ to Pt# \_\_\_\_\_ = \_\_\_\_\_

- The distance between A and B is \_\_\_\_\_

Show A B in relation to the pool (on sketch). A-B line, or extensions of, cannot intersect pool.

- Indicate areas where the deck is less than 4' from waterline of the pool \_\_\_\_\_
