

Over 30 Years of Quality Pool Products

SINGLE CHAMBER, DOUBLE CHAMBER, & WALL BAGS

These traditional water bags are time tested and proven to protect your winter cover from collapsing under the weight of ice and snow.

FEATURES

- Heavy gauge U.S. vinyl
- UV treated
- Freeze crack additive
- Large U.S. made valve to accept a standard garden hose
- 8' & 10' single/double
- 2' wall bags

INTERMITTENT SEAL WATER BAGS

The single valve bag that performs like a double. This patented unique design to HPI, has intermittent center seals that allows water to flow evenly into both chambers.

FEATURES

- Water is evenly dispersed reducing risk of failure
- Fills faster
- Comes in Blue or Black to match any winter cover color
- The 'heat activating' Black color slows the process of water freezing, which reduces warranty claims

PROTECTA-SPA

Is your spa cover being ravaged by the effect of winter? Add another layer of protection with the HPI Protecta-Spa cover. Made exclusively from GATORHYDE™ material, this spa cover will keep your spa looking as good as the day it was installed.

FEATURES

- Wide tape for full coverage
- Velcro® closure
- Vented area to allow the spa to breathe
- Roll down flap to protect the vented area
- Installs in minutes with no tools required
- Attractive tan color to enhance any backyard setting
- SIZES - 85" x 85", 92" x 92", 100" x 100"
- Special sizes available upon request.

SOLAR ROLLER COVER

Protects solar blankets from harmful UV Rays in both the summer and winter. Adds years of life to the solar cover.

FEATURES

- End draw string for secure fit
- Heavy-duty Velcro® closure
- Universal fit
- Eliminates indoor storage
- Available for 16', 18', and 20' pool widths

CAMOUFLAGE WINTER COVER

The camouflage winter cover design blends with backyard décor with its shades of light tan, brown, and black. CAMO Cover's dense weave eliminates heat build up within the pool, reducing algae growth.

FEATURES

- Covers are made 4' larger than your pool size
- Triple edge reinforced binding
- Webbing loops for cable instead of metal grommets
- Coated cable and winch for tightening are included
- Dense weave with coating to prevent algae growth
- UV stabilizers to preserve the camo color
- 15 Year Warranty
