

# Keep It Simple, Keep It Clean!

Your customers don't need more, they need their spa care simple and effective.

Bromine Spa Care Kit  
#SPASTARTBR

Clear Spa 104° brings your client what they need and none of what they don't. The highest quality chemicals formulated for the high heat and demand of spas.

We keep it simple so your clients can enjoy their spa without any confusion. Each Clear Spa 104° Spa Care Kit comes with four essential spa care chemicals. Less confusion means more fun for your customer.

Ask your Imperial Branch Representative about Clear Spa 104° Spa Care Kits for your spa sales.

## DON'T USE BROMINE?

The Clear Spa 104° Spa Care Kits are also available for chlorine based spas.
