a family of benefits

A new pool opens the door to a host of rewards that can be enjoyed for generations to come! But don't take our word for it. Ask any pool owner and they'll agree*: the benefits of pool ownership are not just perceived notions but indisputable facts, including:

Quality Family Time - A pool connects family. Whether playing with your kids or relaxing with your spouse, a Generation Pool is "Where Family Happens™."

Revitalization Station - Whatever kind of day you're having, a pool is the perfect place to recharge, refresh, relax, or retreat, any time of the day.

Financial Rewards

A Generation Pool is one home improvement that will pay for itself in multiple ways, from increasing your home's value to reducing family summer vacation expenses.**

Plus, competitive pricing and the current building construction economy have made pool installation surprisingly affordable. Ask your dealer for more details, and for the many appealing financing options available.

Party Central - Simply put, a swimming pool is a social magnet and the perfect place to celebrate with family and guests.

Aquatic Fitness Center - Swimming is a great exercise for all fitness levels. ***Just 2.5 hours of swimming a week will help you lose weight, tone up, relive aches and pains, sleep better and have fun in the process.

generations of innovation

For over 60 years, we've been perfecting the art of pool production. You and your family deserve nothing less. Installing an inground pool is a very big investment, and we are committed to give you the best materials, the finest craftsmanship, and the most beautiful designs you'll ever find.

Built On Steel...

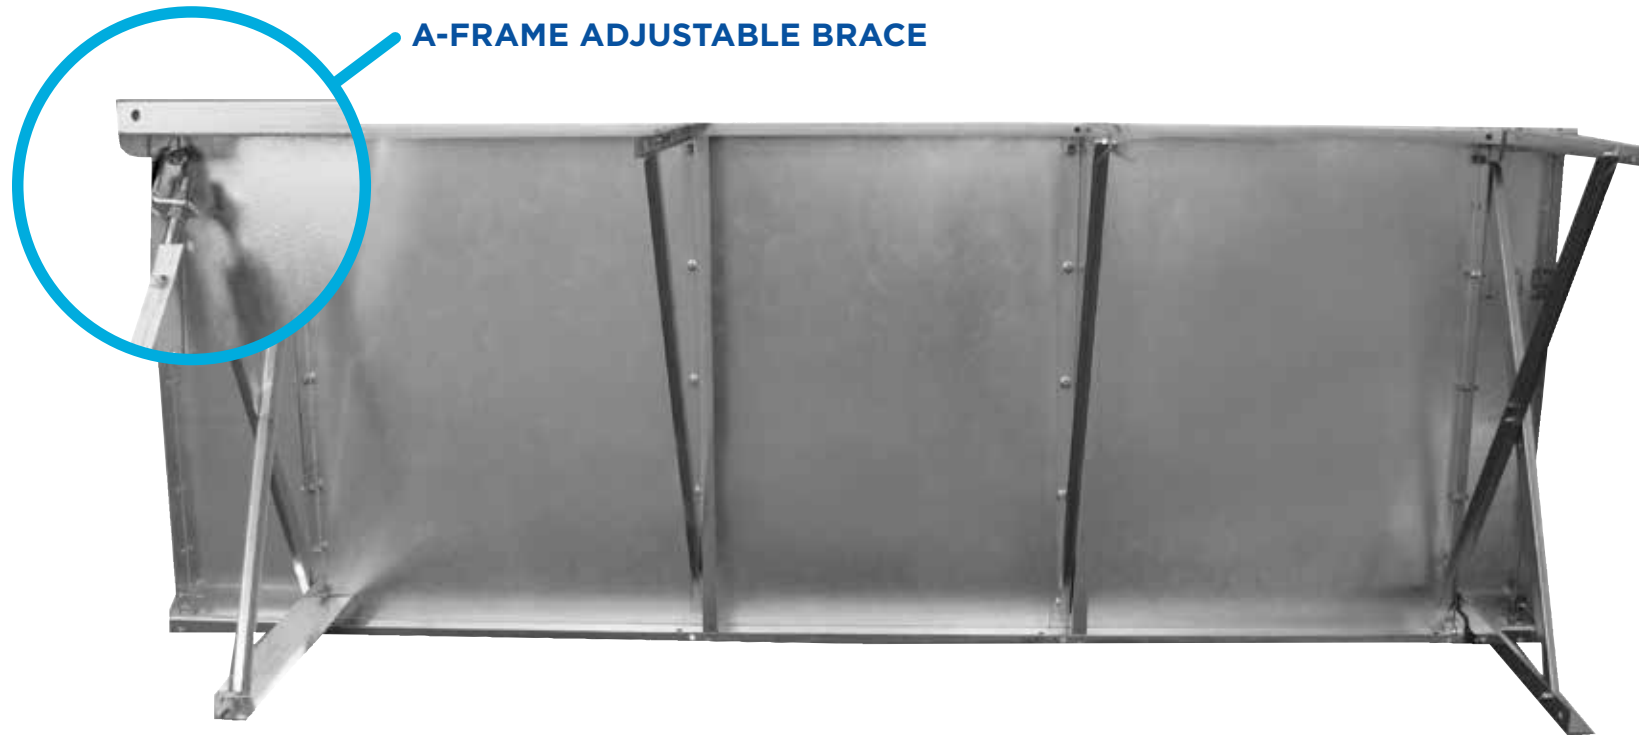

Generation Pools are built with panels constructed of the highest quality, G-235 zinc-coated, galvanized steel available.

Our steel panels are built to withstand extreme conditions, and fortified with pioneering **Imperial Armor Guard**, an additional layer of protection designed to prevent corrosion and extend the life of your panels...guaranteed with a limited **Lifetime Warranty**.

ARMOR GUARD™
• FORTIFIED STEEL PROTECTION •

A-FRAME ADJUSTABLE BRACE

...Exceptional Engineering...

Generation Pools are built strong thanks to a unique engineering process that incorporates 5" flanges top and bottom to further bolster your steel panels.

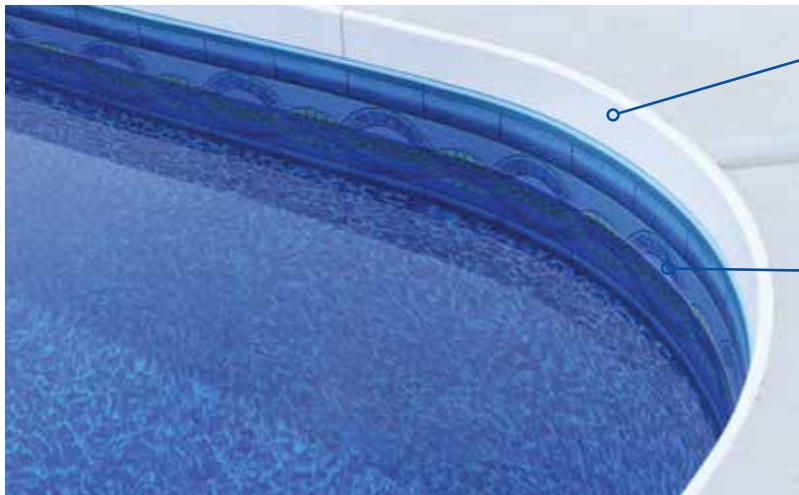

Our A-frame steel braces provide superior support to the pool walls, able to withstand extreme external pressures and hold tons of water.

timeless beauty

The quality and craftsmanship of a Generation Pool isn't all hidden beneath the surface. We offer elegant, exclusive features you can see and touch that provide aesthetic appeal to every pool we manufacture:

Progressive Coping

Locks your concrete deck against the pool walls with a contoured shape, fewer seams and a low profile edge.

Interior Finishes™

Soft to the touch, our interior pool finishes come in a variety of alluring patterns and are simple to replace, allowing you to renew your pool's interior to change with you over time.

PERFECT SEAM® TECHNOLOGY

Perfection is improving something until it is as flawless as possible.

We have invested in state-of-the-art manufacturing equipment and combined it with time tested sealing methods. This allows us to make an interior pool finish that is as flawless as possible with seams that are less noticeable, strong and water tight!

Our Interior Pool Finishes™ are the finest made in the market today.

choose your generation

Our design gallery features over 80 pool shapes, sizes and numerous interior pool finishes to complement your outdoor living area and suit your style.

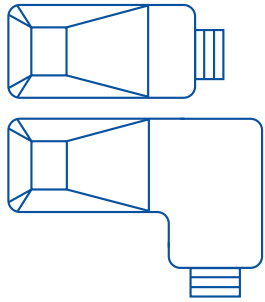

or define your own

With the design flexibility of steel, you can design your own inground pool, any shape or any size. Ask your Generation dealer how you can custom-build a pool that is uniquely you. If you can dream it, we can make it.

step forward with the best pool entry systems available

A pool's stair system is an integral part of the family swimming experience, and is often the most popular place to be. It can be a lounge area to sit and catch up with your kids, a cuddle cove to nestle with your spouse, a safe spot for younger ones to practice their first strokes, to name just a few.

Generation Pools feature the most aesthetically pleasing steps on the market, with a variety of options, including wedding cake stair and bench combinations, cuddle coves, sun decks, and much more.

steel and nexus entry systems

Bring the interior finish of your **Generation Pool** onto your stairs, benches and coves with our **Steel and Nexus systems**. Designed with functionality and visual appeal in mind, these options will truly elevate your swimming experience and create a uniformed elegance to your pool. Choose from our many standard models or **design something of your own, in any shape or size.**

tread-loc[®] steps

The Generation Tread-Loc[®] Step is made of the strongest thermoplastic material available and is the highest quality pool step available. Each of our 50 models is designed to have excellent weatherability and chemical stability.

tread-loc® steps

The Tread-Loc® entry system is loaded with exclusive features designed to make your steps safer, stronger, sleeker, and absolutely watertight. No other pool company can offer these features...because we own the patents!

Patented Tread-Loc® Support System

Utilizes box beam and rigid reinforcement for every tread.

- 💧 **8" ABS Channel Support** - We reinforce each tread with a heavy duty box-beam, attached with a permanent high-pressure heat application.
- 💧 **Sturdy Rigid Pipe** - Our 2" diameter rigid pipe column supports are sturdy and strong.
- 💧 **Column Pipe Snap Ring** - These rings hold each rigid pipe firmly in place for ease of installation.
- 💧 **Independent Tread Support** - Each one is individually supported, providing stronger reinforcement and less stress on the whole unit.
- 💧 **3 Column Support** - Each 8" tread is individually supported by 3 columns for maximum support.

WITH MORE PATENTS IN THE INDUSTRY ON STEPS & ENTRY SYSTEMS, THE GENERATION TREAD-LOC® THERMOFORMED STEP COMES WITH A LIMITED LIFETIME WARRANTY.*

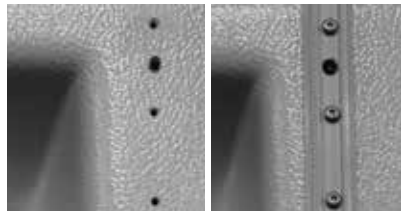

Patented TrimLine® Collar

Blends seamlessly with the coping, creating a clean and consistent line surrounding your pool.

Patented Faceplate System

Gives you the most watertight system available, bar none, while protecting the liner from tears or punctures.

Patented Dowel Alignment System

Guarantees correct position of the faceplate with strategic dowel location that offers an exact screw hole fit.

Superior Tread Design

With our state-of-the-art Vacuum Former and the sophisticated nature of our mold designs, each step has the most detailed and distinctive pattern in the industry.

Color Options

Tread-Loc® Steps and Whitewave Spas are available in four colors to seamlessly blend into your décor. Choose from White, Gray, Gray Granite or Blue Granite. All finishes are constructed to withstand the elements and look beautiful for years to come. Gray and Blue Granite offer a unique textured feel and distinct granite finish for a look that is sure to impress.

pearluster

INTERIOR FINISHES™

Pearluster™ is an additional topcoat that gives your pools interior finish a mother-of-pearl luminance that actually shimmers as it basks in the sun's light. This is the latest in interior pool finish technology. We have 3 Pearluster™ Interior Finishes™ for you to choose from. All beautifully designed for your swimming pleasure.

when it comes to family, you can never be too safe

A Generation Pool will bring you and your family years of enjoyment and relaxation. With any recreational water activity, however, there is always the risk of injury. For the continued enjoyment of your backyard swimming experience, please follow the following safety tips:

1. Read Safety Literature including the Association of Pool and Spa Professionals' brochure, "The Sensible Way to Enjoy Your Inground Swimming Pool."

2. Do Not Allow Diving or Jumping into the pool or running around the pool, and avoid alcohol consumption.

3. Stay Alert and carefully supervise all the swimmers in your pool—especially small children.

4. Install a Fence to secure your pool from unsupervised and unauthorized use.

5. Use Safety Signs and labels and keep rescue devices nearby, such as life rings or ropes.
