# *A Better Pool*

**We know that installing an inground pool is a serious investment. That's why we are committed to bringing you the finest pool on the market today. With over 60 years of pool production under our belts, a SunPro™ Pool guarantees the very best – and your family deserves nothing less!**

A SunPro™ Pool uses the latest patented techniques and leading non-corrosive materials to build your dream pool. We can create an inground pool for any yard and any budget!

The uncompromising strength and durability of your pool comes from our polymer panels with their sturdy ProGrid reinforcing design. It is a noncorrosive material that provides superior protection and exceptional indestructibility.

## **The Flex Fit Panel**

Other polymer pools on the market today use only one type of polymer to construct their panels. The Flex Fit Panel uses a combination of two compatible polymers to allow your pool to be shaped to any desired form.

## **The ProGrid Panel**

Our ProGrid Panel is constructed with a grid of 21 reinforcing supports to make it the strongest panel in the industry and ready for high-impact.

**Not only are our panels the strongest in the industry, they can be shaped to any curve on-demand, allowing for unmatched creativity!**

## *Pool Gallery*

Our design gallery features numerous shapes and sizes with an interior pool finish™ to complement every design. With the design flexibility of our polymer panels, the look of your pool is only limited by your imagination.

Choose from our standard shapes or ask your SunPro™ Pool dealer how you can design the pool of your dreams!

# A Better Spa

Our traditional Poolside Spa is designed to sit flush with the deck giving you a relaxing spa at the edge of your pool. The Spillover Spa also sits flush with your deck at the edge of your pool with its water "spilling over" into your pool, making it both a relaxing spa and a cascading waterfall feature.

The spas are made of durable Luran® S thermoplastic construction with foam insulation. Both spas feature slip resistant steps and foot wells.

Conveniently placed controls make it simple for you to sit back and relax. They are both available pre-plumbed for ease of installation.

# A Better Finish

**The superiority of your SunPro™ Pool extends from the structural panels that support your pool to the many finishing touches. We offer exclusive features that provide an aesthetic appeal you can see and touch!**

Our variety of interior finishes™ are both beautiful and soft to the touch. The many alluring patterns are durable and built to last, yet easy to replace so you can renew the look of your pool over time.

Our interior finishes™ are made from the finest virgin vinyl, so they reign superior over the industry standard. Specially treated to resist bacteria and fungus and to withstand ultraviolet rays, we guarantee a long-lasting finish. A clear acrylic topcoat adds further protection and guarantees your pool will be easy to maintain.

Our progressive coping locks your concrete deck against the pool walls with fewer seams, contoured edges and a low profile edge.

## PerfectSeam®

*Perfection is improving something until it is as flawless as possible.*

Our Interior Pool Finishes™ are the finest made in the market today. We have invested in state-of-the-art manufacturing equipment and combined it with time tested sealing methods. This allows us to make an interior pool finish that is as flawless as possible with seams that are less noticeable, strong and water tight!

## Pearluster™

Pearluster™ is an additional topcoat that gives your pools interior finish™ a mother-of-pearl luminance that actually shimmers as it basks in the sun's light. This is the latest in interior pool finish technology. We have several Pearluster™ Interior Finishes™ for you to choose from – All beautifully designed for your swimming pleasure.

## *A Better Entrance*

**One of the most important features of your pool will be the entry system you choose. Will it be a lounge area to catch up with your friends? A shallow area for your kids to safely play and practice their first strokes? Or a cuddle cove in the deep end to relax with your spouse?**

These are just a few of the options available. You can choose from our wide variety of durable and aesthetically pleasing options or talk to your dealer about creating custom features to fit your lifestyle!

The best part? All of our stairs, benches, coves and sun decks can be matched to your chosen Interior Finish™, giving your pool a classy, uniform look.

# Better Safety

**Your understanding of safety practices and rules pertaining to the use of your SunPro™ pool can greatly reduce the risk of serious injury! For the continued enjoyment of your backyard oasis, please follow the following safety tips:**

- ☀️ Read the Pool & Hot Tub Alliance brochure, “The Sensible Way To Enjoy Your Inground Swimming Pool”, to learn how to avoid swimming-related accidents.
- ☀️ Don't allow diving or jumping in your pool.
- ☀️ Remember, alcohol consumption and swimming do not mix.
- ☀️ Carefully supervise all the swimmers in your pool – especially small children. They're your responsibility!
- ☀️ Always secure your pool from unsupervised and unauthorized use.
- ☀️ Ensure signs, stickers, and labels are posted and clearly visible, and that rescue devices, such as life rings or ropes, are either installed or nearby.
