Published Lead Times on  Inground Liners

As we all know 2020 has been full challenges both good and bad for all of us in the pool industry. The COVID-19 pandemic and the mandated state and federal guidelines has put a strain on our daily production workforce and also the number of liners manufactured each day.

Please Note: Lead Times posted on our Hot Sheet and also on Liner Link are estimated and could be off by an additional 1-2 days. Please Plan Accordingly.

***For any questions regarding this notice contact our Corporate Services Department.**
